

## **HARITHA KERALAM SCHEME – 2012**

Haritha Keralam Padhathi, the ambitious programme for Greening Kerala jointly implemented by Kerala Forest Department, Education Department and Local Self Government Department is entering its Forth Phase of Implementation during 2012-13. As in the earlier phases, Haritha Keralam Phase-IV also envisages tree planting involving schools/higher education institutions/ Panchayaths/other LSG institutions, public, religious institutions, press medias etc in addition to the distribution of seedlings to students of class I to IV as desired by the Hon'ble Minister for Forests, Sports & Cinema. During Phase -IV, the distribution of seedlings to the schools & colleges at free of cost will commence from 1<sup>st</sup> June 2012 onwards.

The following are the activities proposed under Haritha Keralam – Phase IV – 2012-13:

- (1) **Distribution of seedlings free of cost to school children** :- The existing scheme of distribution of seedling from class V to IX for planting in their homesteads is to be widened from class I to IX. The children of class I to IV will be distributed mainly species of fruit bearing trees. The total requirement of seedlings under this item will come to 42 lakhs.
- (2) **Distribution of seedlings to Colleges/Institutions free of cost for planting in college/institutional campuses:-** Under this scheme it is proposed to distribute 6 lakhs seedlings.
- (3) **Free distribution of seedlings through Panchayaths/LSG institutions** :- The existing scheme of supply of seedlings under subsidized rate of Rs. 0.50 per seedlings will be continued. It is also proposed to provide some suitable awards to Panchayaths performing best in tree planting or increasing tree cover outside forest areas. The production of seedlings towards this purpose is 12 lakhs.
- (4) **Distribution of seedlings to public through Press/Media establishments** :- This year it is proposed to supply 10 lakhs seedlings to public free of cost through involving Malayala Manorama under certain terms and conditions. Another 80500 seedlings will be supplied through Mathrubhumi at free of cost. Under this combined programme of Social Forestry with media, the awareness of public in tree planting activities will be enhanced through media publicity.
- (5) **Distribution of seedlings through political groups, religious and other social institutions/NGOs and Civil Society Organizations / others in the State:-** During the last planting season more than 10.5 lakhs seedlings were distributed through youth wing of political parties, religious and other social institutions/NGOs/Civil Society Organizations and others in the State. The same is proposed this year also. This year it is proposed to involve the student organizations like NCC/Scouts & Guides/ NSS/ Student police etc also in greening activity by providing seedlings free of cost to them for planting. It is proposed to supply 12 lakhs of seedlings under this scheme.
- (6) **Roadside Planting (Vazhiyora Thanal)** :- The seedlings of age more than one year will be planted along the roadside. This year 30000 seedlings are proposed to be planted under this scheme.
- (7) **Block Planting:-** An extent of 25 Ha area to be planted during this year under this scheme. For this purpose 1.5 lakhs seedlings have already been raised.
