

GOVERNMENT OF KERALA
PLANNING & ECONOMIC AFFAIRS (C) DEPARTMENT
No.6039/c2/77/Pig.
Dated: Trivandrum 20-6-77

CIRCULAM MEMORANDUM

Sub: Foreign Training-Selection of Candidates for training with in India abroad-
preparation of panel- instructions issued.

Ref: Circular Memorandum No.74440/c2/75/Plg. Dated 18-9-75

The State Government are, from time to time, sponsoring candidates for training within India and abroad under various training programmes. The selection of candidates for such training is primarily made based on the recommendations of the Heads of Departments. In the absence of a panel of eligible candidates on hand, very often it has been found difficult to sponsor candidates for training within the time limit prescribed by the Government of India. To overcome this difficulty, Government consider that all Heads of Departments/Departments of Secretariat should have with them a ready list of eligible officers with their bio-data who are willing to be sponsored for various training programmes within India & abroad. A copy of the list may be forwarded to the Planning & Economic Affairs Department also for reference.

Dr.P.K.Gopalakrishnan
Secretary to Government.

To
All Heads of Department.
