O R D E R

‘Than Dan’ Community is included in the list of scheduled Castes issued by the President under Article 341 of the constitution of India. It has been represented to Government that, though the “than dam” and ‘Thachar’ Communities are identical, members of the latter are not now getting those concessions admissible to members of the Scheduled Castes in the matter of appointments to the Public services on the ground that Community has not been specifically included in the list of Scheduled Castes. The question of revising the list of scheduled Castes is under consideration separately. Pending issue of a revised list by the President, the Government directs that members of the ‘Thatcher’ Community be deemed to belong to the Scheduled Castes and bracketed along with ‘Thandans’ for appointment to the Public services.
