ORDER

In the G.O. read above, Government have extended the concession allowed by way of permanent exemption granted to those who have attained not less than 45 years of age and have put in 20 years or more of service from passing departmental tests contemplated in the G.Ps referred to therein to the officers allotted and transferred from Madras State with regard to the departmental and special tests applicable to them till 31-12-60. Under the Travancore-Cochin rules for purposes or reckoning 20 years service to enjoy the concession of permanent exemption a person should have put in 20 years ' service in a post or posts for which some tests were obligatory. It has been represented in Government that if this condition is insisted in the case of the allotted and transferred personnel from Madras such of them for whom no test was obligatory during their period of service as Lower Division Clerks will be rendered ineligible to enjoy the concession. Government have examined the case carefully and are pleased to order that in the case of transferred and allotted personnel from Madras Service for whom no test was obligatory during their period of service as lower Division clerk they will be allowed to count their lower Division Clerk Service also for purpose of reckoning 20 years' service for permanent exemption from the obligatory test.
