

D.O. No. C5-19503/61 dated 7-62 from The Chief Conservator of Forests to the Chief Engineer (Electricity)

Sub:- Payment of invoices and removal of logs and saplings within the grace period.

Ref:- Your D.O. Letter E1(a) 5180/60-62 dated 7-7-62

Please refer to your D O letter cited above. I may inform you that passes are issued only when the agent employed appears for assuming charge of logs. If the agent appears after 52 days of release orders, it is the fault of the agent and not of the departmental officers. Once the chalan is issued it is up to the purchaser to make remittance and obtain the pass and get release of the logs.

However I am issuing instructions to the subordinate officers to issue pass the very day the remittance s made and the relevant records produced.

Copy forwarded to all the Conservators and Divl.Forest Officers for information and strict attention. The passes should be issued on the very day in which payment evidence is produced before the authority competent to issue passes.
