Governments are pleased to order that in such cases, the employees concerned will be given the following choices:
 - (i) To go on deputation under the normal terms and conditions of deputation till they are absorbed in such foreign body in Public interest, in which case they can also enjoy all service benefits during the period of deputation till their absorption.
 - (ii) To take up employment on condition that the period of service in such foreign body till absorption or return to Government Service, will not count for any service benefits under this Government, but retention of lien in the service will be allowed subject to all other conditions in the Government orders read above.
