

Copy of D.O. No. C1-6492/59 dated 27-1-60 From M.P. George, Chief Conservator of Forests, Trivandrum, To the Conservator of Forests, Chalakudy.

Sub: Collection and removal of firewood - departmentally - regarding.

It is noticed that one of the Conservators is indulging in collection and disposal of firewood departmentally. The department in its present set up cannot afford such a luxury. This work always ends up in a lot of shortages and loss. In one instance, the departmentally collected firewood on being found unseal had even to be fire protected, To avoid such a contingency as a general practice, without special permission from he, no firewood should be collected or any contract entrusted for collection and delivery of firewood to the department. This order can be deviated only when teak firewood is involved, by way of thinnings or final fellings of teak plantations.

Receipt of this D.D. may be acknowledged.
