

Copy of Chief Conservator's Memorandum No.L.Dis.(C2) 39903/64 dated 3-11-1964 to the Conservator of Forests, Chief etc. etc. etc.

Sub:- Sale coupes – request for supply of rice and extension of contract period –

Representations are being received from various contractors requesting for the supply of rice and extension of contract period. Everybody in the State has to face a difficult period for a few days. Now rationing has been introduced all over, and the contractors should take up this matter with the concerned Supply Officers.

2. It does not appear to be justifiable to ask for extension for months on account of a few days' difficulty. The Conservators are requested to see that the contractors do not slacken their work on this score.
