ORDER

In the G.O read above, it was ordered that the fixed system of payment of Kolevila might be introduced to supply contract as well as for transport and delivery of thinned materials from plantations in contracts entered into as per this modified condition. Certain forest contractors have represented that the fixed system may be applied to existing contracts also which were entered into before the issues of the order. They have also requested for part payment and for extension of contracts without penalties.

Government have considered the requests of the contractors and they order that G.O.MS.615/61/Agri. Dated 19-6-'61 need not apply to contracts entered into prior to the issue of the said order. The requests of the contractor's for part payments and for extension of contracts without penalties are declined.

Government also observe that the term "Kolevila" may be abandoned and instead, the words " extraction and transport charges" maybe substituted.
