

Copy of letter No. 1969 from the Maramath Engineer, Trivandrum to the Chief Conservator of Forests.

Sub:- Supply of T.W Logs to the Devaswom Board – sanction issued.
Ref:- G.O.Rt.2759/70/AD dated 18-9-70.

I may inform you that the Government have accorded sanction for 8 T.W logs being released to the Devaswom Board as per the G.O cited. But while approaching the /divisional Forest officer, Malayattur for the selection and release of the logs, the Divisional forest officer has informed the Maramath Division officer, Chengannoor that he is not in receipts of the Government order and that the logs could be issued only after the receipt of the Government order. In the circumstances, I request that the Divisional forest Officer, may be given necessary sanction and orders as specified on the government order.

I request the favour of an early reply in the matter.
