ORDER

Government have ordered in the G.O. first cited that the administrative control of Government buildings in the State will vest with the respective Heads of Departments. In amplification of the above G.O. it was further ordered in the G.O. second cited that the administrative control of non residential buildings alone will vest with the Heads of Departments and that all the residential buildings will be under the administrative control of the P.W.D.

The Chief Conservator of Forests has now reported that all the Residential Buildings in the Forest Department are constructed and maintained by them meeting the expenditure from Forest Department funds as powers delegated to the Chief Conservator of Forests in G.O. (MS) 733/60 AD dated 8.9.1960 AD dated 8.9.1960. The Chief Conservator of Forests has suggested that they may be allowed to continue the existing practice, as the P.W.D may not be in a latter position to attend to the construction and maintenance of buildings of the Forest Department which are situated in out of way place in Cense forest areas.

Government accepts the above suggestion of the Chief Conservator of Forests and order that the administrative control of all Residential Buildings belonging to the Forest Department will be vested with the Chief Conservator of Forests. The G.O. read are second paper above is modified to that extent
