ABSTRACT

Public Works Department – clause No. 14 in Form No. 84 – deletion of orders issued.

PUBLIC WORKS (H) DEPARTMENT

G.O. Rt.658/84/PW

Dated, Trivandrum, 26/5/1984.

Read :- 1. G.O. MS.53/78/PW&E dated, 8/5/78
2. G.O.MS.147/80/PW&E dated, 18/9/80

ORDER

In the Government Order read as first paper above orders were issued restricting the applicability of arbitration to works the estimated P.A.C. of which is Rs. 2 lakhs and below and in the Government order read as 2nd paper amendments were made to form No.83 – Notice inviting Tenders for works.

The Law Officer, Public works Department has brought to the notice of Government that there is a remote possibility of clause 14 in form No. 84 Form of Tender being interpreted as on Arbitration clause even though the word Arbitration has not been specifically incorporated therein.

Government consider that even without this clause a contractor can raise his disputes to the concerned Chief Engineer in his capacity as the Head of the Department.

Government have examined the matter and are pleased to order that clause 14 in Form No. 84 be deleted from the Form of tender in future contracts.

The Chief Engineer appointed for revision of K.P.W. code Manual will incorporate the amendment in the Code/Manual.
