The out put for watering nursery shown, against item No.8 Rs. 350 sq.mter per day, in this office letter No.C2-9316/70 dt.2.4.71 addressed to Government is a mistake. The output fixed for the work of watering nurseries at the rate of 30 litres per sq.metre with a lead up to 100 metres is 35 sq.metres per day per worker – vide item no.III (h) in the Government notification no.7899/E1/73/LBR dt.1.4.1974 and item no.8 at page 31 of the Report of the minimum wages committed.

Yours faithfully,
