

Copy of letter No.FAD,III/19/193 dated 22-8-66 from the Accountant General to the Conservator of Forests, Chalakkudy.

Sub: Extract of estimates sanctioned by the Conservators forwarding to audit reg.

It is observed generally, that when copies of the estimates sanctioned are forwarded to this office the name of the Forest Division to which a particular sanction pertains is not being indicated therein . This renders it difficult for this office to post the Estimate sanctions against the appropriate forest Divil. Registers . It is therefore request that suitable instructions may be issued to note the name of the Forest Division to which each estimate sanction relates in nature.
