

Office of the Conservator of Forests,
Central Circle, Trichur.

Copy of Chief Conservator's C2.67170/77 dated 10-4-1978 addressed to the Conservator of Forests.

Sub:- Forests – transfer of areas to Kerala Forest Development Corporation Ltd., for planting – removal of tree growth – extraction of Rosewood-regarding.

Ref:- This office letter No. FU(i)52133/77 dated 14-11-1977.

It was ordered in the above reference to stop felling of Rosewood trees except in obligatory fellings such as salvage felling dead trees etc. Now the Conservator of Forests, Trichur has raised a doubt whether the Rosewood trees available in the area intended to be transferred to Kerala Forest Development Corporation have to be retained.

In case where the area is to be handed over to the Kerala Forest Development Corporation Ltd., the orders already issued regarding the retention of Rosewood trees is not applicable. Therefore all rosewood trees of and above 120 cm. will have to be felled and resultant timber and firewood collected.

Yours faithfully,

Sd/-
