ORDER

Government, have been examining the question of fixing monetary limits to the powers of the Assistant Executive Engineers of Mechanical Sub Divisions/Regional Engineering Workshops in respect of issue of essentiality certificates for the repair and replacement of parts of Government vehicles and they order as follows:-

The Assistant Executive Engineers of Mechanical Division Regional Engineering Workshop are authorized to issue essentiality certificates as follows:-

Assistant Executive Engineers of Mechanical Division/Regional Engineering Workshops.	Up to an amount of Rs.10,000/- in respect of Jeeps, Cars and Vans and up to an amount of Rs.15,000/-in respect of lorries and buses, at a time.
--	---

All the repair estimates beyond the above limit will be forwarded to the Executive Engineer (Mechanical) who will issue economy certificates on the basis of the Essentiality Certificates from the Asst. Executive Engineers (Mechanical) will verify the previous history of the vehicles and ascertain that is economical to repair the vehicles before issuing essentiality certificates and economy certificates. Every case of repairs and replacements over Rs.1,000/- (Rupees One Thousand only) will be strictly scrutinized by the Executive Engineers and the Assistant Executive Engineers (Mechanical) taking into consideration the history of the vehicle and the economy of the repairs.
