Office of the Chief Conservator of Forests
Trivandrum, dt. 29.3.1983

Circular No. 5/83

Sub:- Preparation of estimate for the cost of selection and haulage of timber and Poles from plantations taken up for thinnings- instruction on.

Ref:-

It has been brought to the notice of the undersigned that income divisions of Central circle and in Northern circle separate estimates are sanctioned for thinning and selection of thinned materials (poles and number) from the same plantation taken up for thinning. It is not necessary to sanction separate estimates for the above works as one work sign equal to the other and the expenditure for both the works is to be debited under the same budget head. It is therefore ordered to curtailof submitting and sanctioning of separate estimates by splitting a work which is equal to the other and the expenditure of which are to be debited under the same head of accounts hereafter. The receipt of the circular should be acknowledged.
