The Accountant General in his letter referred to above has pointed out that cases have come to his notice where the certificate of assumption of additional charge was not forwarded to audit in time as required under Article 81 (a) of Kerala Financial Code Vol. I. He has therefore requested to issue necessary instructions to the Departments of the Secretariat and the Heads of Departments to avoid the delay in furnishing such certificates.

All the Departments of the Secretariat and the Heads of Departments are hereby directed to discontinue the practice of allowing to hold full additional charge without any orders in time and to avoid the delay in furnishing the certificate of assumption of additional charge.

By order of the Governor,
