Tribal Welfare - Estt. of Tribal pockets sanctioned Revised orders issued.

Read: : 1. G.O.Rt, No. 1555/78/AD dt. 16-8-78  
2. Letter No. Sch. A/3022/78/TW dt. 27-9-78 from the D.T.W.

In the Government order read above, sanction was accorded among other things for starting one Tribal Pocket at Vazhachal in Trichur District (item IV) at an estimated cost of Rs. 1,65,000/- But now the Director of Tribal Welfare in this letter read above has reported that out of the 60 Families at Vazhachal, some families have migrated to the nearby Forests where there is no scope for agricultural operations or construction of houses. As these kadars being of seminomadic type with no permanent places of abodes, are likely to shift from place to place there is no scope for constructing houses for them in the Vazhachal Pocket also. It is also reported that 6 families in the pocket have already been provided with tiled houses during ~~previous~~ previous years. The Director of Tribal Welfare has therefore suggested that the items of works sanctioned for the Vazhachal Tribal pocket may be reduced to Rs. 93,600/- as against Rs. 1,65,000/- already sanctioned and submitted another proposals for starting a Tribal pocket at Thavalakuzhipara in Mukundapuram Taluk.

In the above circumstances, and in substitution of Tribal Pocket sanctioned as item IV of the G.O. read above, sanction is now accorded for starting the Tribal pockets detailed below at a total cost of Rs. 1,32,200/- (Rupees one lakh thirty two thousand and two hundred only) in Trichur District with the following items of works.
