

No .E6.38699/82

Office of the  
Chief Conservator of Forests,  
Trivandrum, dt:19.12.82

CIRCULAR No.31/82

Sub: Deputation of staff from the Kerala Forest Dept. to Kerala Forest Development Corporation, Rehabilitation Plantation Ltd. And State Farming Corporation.

Ref: 1. This office Circular No.18/81 dt: 29.7.81.  
2. “ No.6/82 dt: 17.3.82

In the circulars cited , willingness of the staff of this department for deputation to various Corporation / Companies were called fro also pointing out that willingness for deputation will expend their promotional avenues and lack of interest on their pat for deputation may adversely affect their chances for promotion.

2. It is seen that the response from staff for deputation to Kerala Forest Development Corporation and other corporation is very poor and so personnel had to be deputed with out their willingness, Some of the persons so deputed have challenged the orders of deputation in the High Court while some others exert all sorts of pressure and manage to back out .This has created real difficulties in deputation adequate number or personnel to these Corporations in time. So much so their Corporation are required by them.

Under these circumstances unless adequate number of willing personnel come forward for deputation to these Corporation the Department/ Government will have no option expect to agree to the demands of these Corporation for making their own arrangement for appointment of staff . I would like to get the names of persons who are willing to go on deputation within 3 weeks positively.

This may be circulated to all for information and necessary action .

Please acknowledge the receipt of this circular.
