ABSTRACT

Public Services - Department appointed on Provisional basis grant of increments - further instructions-

PUBLIC (SERVICES) DEPARTMENT

G.O.MS.No. 480.

Dated, Trivandrum, 14-7-1960

ORDER

According to the orders in G.O.MS.No.1002/Public (Services) dated 23-11-1959, persons coming under them (iii) in Para 2 there of (i.e. those appointed under the emergency provisions of the General Rules) Should also be allowed to draw increments in the normal course, as the delay in regularizing their appointments is due to the delay in finalizing integration or for other valid reasons. A question has been raised whether persons who so services have not been or are not likely to be, regularized either for want of the prescribed qualifications or for other reasons can also be granted increments. It is the intention of Government that so long as the notifications issued with G.O.MS.No.1002, Public (Services) dated 23-11-1959 is in force, increments should be allowed to all persons holding appointments under the emergency provisions - irrespective of the fact whether or not they possess the prescribed qualifications and their services are likely to be regularized - provided that they are otherwise eligible to draw such increments, e.g., by passing obligatory departmental tests, if any. In the case of persons whose services have already been terminated in pursuance of the instructions Memorandum No.S.(B) 2-102109/59/Public (Services) dated 8-2-1960 or for other reasons, increments should be allowed for the periods they were in service subject to the conditions mentioned above.

2. This order will have retrospective effect from 1-11-1956.
