Read:- (1) G.O.(P) No. 386/60/Fin. dated 5-8-1960
(2) Memorandum No.F.16-B(7)E II(A) 61 dated 9-10-1961 from the Government

ORDER

According to the rules laid down in article 631 of the Travancore Financial an Accountant Code for the grant of advances to Government servants for the purchase of motor conveyances, if the actual price paid for the conveyance is less than the advance taken, the balance must be refunded immediately to Government. Government wish to clarify that the term actual price includes the price of such items which have necessarily to be purchased along with the motor conveyance (or in other words, on the purchase of which the purchaser has no choice) e.g. spare wheel, tyre and tube, pillion seat in a scooter. Where, however, certain accessories (e.g.radio in a car, plastic covers) are purchased which are not essential and which the customer purchase of his own volition, the term 'actual price' will not cover their cost.

Insurance and registration charges are incurred for running the motor vehicle and cannot be included in the actual price of the vehicle.
