(This note is not part of the notification, but is intended to indicate its general purport)

Under the existing rules in the Kerala Government Servants Conduct Rule, 1960, there is no provision allowing or prohibiting the candidates of a Government Servant in the elections to University bodies like the Senate etc. There are provisions in the University Act (statutory act) for the representation of Government College Teachers in the Senate Syndicate etc, and therefore they may not require any previous Government sanction to seek election to the above bodies. The services of other Government Servants, except those who hold ex officio positions in the University Administration are not essential for the functioning of the University. Government therefore decided that

Government Servants, except those categories in respect of whom there may be specific provisions in the enactment shall not be allowed to seek election to University bodies like the Senate etc, The above notification is intended to achieve above object.
