EXPLANATORY NOTE

(This is note is not part of the amendments but is intended to indicate its general purport)

The Kerala State and subordinate services rules,1958 do not contain any specific provision to make eligible a probationer in a service or a class or category of service deputed to discharge the duties of another post to count the period of such deputation

for purposes of completion of probation when the duties attached to the post to which he is deputed are allied to the duties of the post in which is a probationer. It is considered necessary that a general provision may be made in the Kerala State and subordinate services rules 1958 to ensure that persons deputed for doing duties which are allied to their original duties are permitted to count the period of deputation towards their probation, This notification is intended to amend the above rules to serve the purpose.
