Dated , Trivandrum dt 12-1-1976

Read :- Letter No.P3-11965/75 DT 17/29.3.1975 from the CCF

In his letter read above, the Chief Conservator of Forests has reported that the present practice of locating the headquarters of the working Plan Division at the headquarters of the Division , the plan of which is taken up for revision, causes such difficulties and leads to dislocation of work and lack of continuity . At present on completion of each working plan , the staff has to be dish ended , the building vacated and the records sent to the office of the conservator of Forests ,working plan & Research Circle , Trivandrum . A working plan Officer is posted only for a revision .and soon as he completes it he and his staff are transferred and his office abolished . The records etc of the working plan , being of no interest to the next working plan Officer , as they would come in use only at the time of revision of the plan . ie usually after 10 years get gradually lost due to the negligence and frequent in the automatic continuity ,the chief Conservator of Forests has proposed that the working Plan Division may be permanently attached to the headquarters of the respective Territorial Circles .

The present working Plan Division are (1) Trivandrum , (II) Palaghat and (iii) Kozhikode . The proposal of the Chief conservator of Forests is to permanently attach these working plan Division to the headquarters of the respective territorial Circles viz. Quilon , Trichur and Kozhikode . Government have examined the proposal in its various aspects and they find that the proposal is made from the point of view of administrative convenience and safety of the field records . In the circumstances , government are pleased to accord sanction for locating the working Plan Divisions perma nently at the headquarters of the respective territorial circles
