O r d e r

The Kerala State Electricity Board had felled 85 Nos. of Jungle wood trees including some depot delivery species along the road alignment from Dam top to quarry in Iedamalayar Range I Hydel Division, Kottayam. Considering the fast deteriorating nature of the materials the Chief Conservator of Forests had issued instructions to dispose of the materials in auction sale including depot delivery species. He has reported that the quantity of depot delivery species was very small to fix up a separate supply contract and it is uneconomical to work them down to depot departmentally.

In the circumstances Government are pleased to ratify the action of the Chief Conservator of Forests in having issued instructions to the Conservator of Forests, Trichur to dispose of the materials felled by the Kerala State Electricity Board on the road alignment from Dam top to quarry in Idamalayar Range I Hydel Division, Kottayam.

By Order of the Governor,
Chinnamma Paily,
Under Secretary.
