

**Government Memorandum No.74469-F3/62/AD dated 11-1-1963,  
Agriculture (Forest) Department**

-----

Sub:- Forests – Kallada irrigation project area – removal of tree growth in the area of the proposed road from Ottakkal to Dam site outright sale – sanctioned.

Ref:- Letter No.C1-40503/62 dated 7-12-1962 from the Chief Conservator of Forests.

-----

2. The Chief Conservator of Forests is however informed that it is seen from the copy of the letter enclosed in his letter cited that the Assistant Engineer, Kallada Irrigation Project had requested the Divisional Forest Officer, Thenmala as early as July, 1962 to get the area cleared of tree growth. Had earlier action been taken by the department for the disposal of the tree growth in the usual manner, the proposed outright sale could have been avoided.
3. He is informed that such slackness on the part of the departmental offices in taking timely action for the disposal of trees as and when requests are received, instead of waiting till the last moment, will be viewed seriously.
