**O R D E R**

In a conference held on 2.5.1968 at Cannanore, by the Chief Minister with the District Officers, it was stated that the special timber required for boat buildings was not available in the because the officers of the Forest Department had to take orders of Government for the disposal of timber.

According to the general orders contained in Government Memorandum read against paper, supply of timber is made to all Government Departments and the Electricity Board at schedule rate on requisition made by the Heads of those Departments concerned to the Chief Conservator of Forests for such supplies specifying the quantity and variety of timber required by them. In the case fo the Public Works and Public Health Engineering Department, the Executive Engineers and superintending engineers may also forward indents to the Chief Conservator of Forests. The Heads of the Departments or the other indenting officers in the case of Public Works Department or Public Health Engineering Department have also to certify to the minimum quantity and variety of timber absolutely required for the work.

The Chief Conservator of Forest, in his letter read above has reported that there is no objection to delegate powers to the Divisional Forest Officer to allot timber to other Government Departments, under the procedure laid down in the general orders.

Government are pleased to empower the Divisional Forest Officers to allot timber to other Government Departments and Electricity Board, subject to the conditions laid down in Government Order FBI-14643/60/Agri. Dated 20.2.1961
