ORDER

In the G.O read as first paper above, the Conservators of Forests and the Divisional Forest Officers were delegated with powers to conduct auction sale of livestock and confirm such sales, subject to the condition among other things, that the Chief Conservator of Forests should be present in cases of auction sale of elephants and ivory. The following amendments are issued to the G.O. (MS) 770/Agri. Dated 29.7.1959

The word "Chief" occuring between the words "the" and "Conservator" appearing in column 3 under para 4 against "Conservator of Forests" and Divisional Forest Officers" will be deleted.
