Read:- 1. Letter C5-50812/71 dt. 29-5-72 & 21-10-72 from the Consr. of Forests.  
2. Letter 58870/F2/71/AD dt. 2-11-72.

**ORDER**

In the letter read as 1st paper above the CCF has reported that transport of bamboos was restricted to Cart load or river raft as certain irregularities were noticed when seigniorage passes for bonafide consumers up to 20 bamboos at a time to an individual not exceeding twice in a year, were issued on the basis of the certificate from the Tahsildar or Dist. Agrl. Officer or the Village Officer. It was decided after a discussion with the Conservator of Forests, Trichur on 4-2-72 to issue passes for transport of bamboos for internal consumption and trade after charging double the seigniorage. It is reported by the Const. of Forests, Trichur that passes for transport of bamboos in Lorries were also issued after collecting double the seigniorage rate. It was subsequently ordered that indiscriminate extraction of bamboos should not be allowed. The CCF has now requested Govt. to ratify the action of the Consr. of Forests, Trichur in having issued passes for transport of bamboos in lorries after collecting double the seigniorage rate prior to the stoppage of that system. Govt. accept the above recommendation of the CCF and they order accordingly.
