ORDER

Government sanctioned the removal of the trees standing along 11 K.V. Line from Sholayar to Kalamassery in G.O.Rt.1338/68/Agri. dated 3-5-1968. The Kerala State Electricity Board felled the trees that were standing under the span of 147-151 of the above line at Vazhachal. In order to avoid deterioration of these plants an auction was tried by the Divisional Forest Officer, Chalakudy on 20-2-1969 but there were no bidders. It is reported that further attempts to sell the trees by auction are not likely to be fruitful, as there are no interested parties. The Conservator of Forests, Central Circle, Trichur has therefore suggested that the felled trees may be left at site. Government accept the suggestion of the Conservator of Forests.
