**Order**

Tenders for extraction of timber and rosewood firewood from the trees marked in chimmony S.A Coupe No II in Palappilly Range and delivery to the specified depots were conducted by the Divl.Forest officer, Trichur on 6-7-78. Two tenders were received and the Lower rate quoted was 134% of the basic rate. The Chief conservator of Forests has reported that the clearance of the area has to be done immediately as the area is submergible. The chances of getting a more advantageous offer is also reported to be remote. Further, it is stated that the work cannot be taken up departmentally. The Chief Cconservator of Forests has therefore recommended that the lower of 134% of the Departmental basic rate quoted by Sri. P.J.Chummar may be accepted.

In the circumstances sanction is accorded to accept the lower rate of 134% of the departmental basic rate.
