

Copy of Govt. Memorandum No. FA4-35530/60/AD dated 7-2-61 Agriculture (Forest A) Dept. Trivandrum to the Chief Conservator of Forests, and copy to Executive Engineer, Buildings and Roads) P.W.D. Trichur and his files Nos. L.5412/59 and T.798/60) the Chief Engineer (B&R) P.W.D.Re: Forests Departments – Elanad Vaniampara road in Trichur Division - Construction – dropping of.

-----

The Chief Conservator of Forests has stated in his letter cited that the work of constructing the Elanad Vaniampara road in Trichur Division was entrusted to the Public Works Department for execution in 1959-60 and that the Executive Engineer, Trichur has informed him since that practically too little investigation had been done for the above road. The work being a major one costing roughly Rs.5 lakhs, a detailed investigation was necessary to prepare the estimate and hence no expenditure has been possible on the work in the year 59-60. The Executive Engineer, Trichur has reported to the Chief Conservator of Forests that the estimate for the above work has been prepared now and the amount of the estimate comes to Rs. 5 lakhs roughly and that as the schedule of rates has been revised this estimate has also to under go some revision as per the new schedule of rates. The Chief Conservator of Forests has stated that in the above circumstances the Forests Department does not require such a costly road. There is a provision of Rs.30,000/-only in the current year's budget for this work. In the circumstances, the question of taking up the construction of the Elanad Vaniampara road on a Forest Departmental Scheme is dropped.

Endit. On D2-L.Dis, 3213/59/16/17-2-61.
