

D.Dis.21219/63 Ai

Office of the Conservator of Forests,  
Chalakydy, 5-4-1966.

From

Sri. T.P. Viswanathan,  
Conservator of Forests, Chalakydy.

To

The Chief Conservator of Forests, Trivandrum.

Sub:- Switching over to metric system for timber accounting.

Ref:- C.C.F's B1 (a) 26/64.

-----  
Sir,

In the absence of any specific and separate orders fixing the girth limits under the metric system the old system of classification was being followed in the sub-offices. For the sake of uniformity in all the sub-offices, I am issuing instructions to all the Divl. Forest Officers of this Circle to follow the girth limits mentioned in the G.O.MS.269/Agri. dated 3-5-1965 revising the seignior age and tariff rates with effect from 1-1-1966.

DPP/15

Yours faithfully,

For Conservator of Forests.
