

Circular No.1027/A3/64/RD

Dated 3-4-1964 from Revenue (A)Department

Sub:- Eviction of encroachers from Government land – Follow up action – Instruction issued.

It has been brought to the notice of Government that when orders were issued for eviction of encroachers from Government lands, especially forest lands, often no Department watched the follow up action of the orders. There were instances where even after issue of orders, either the encroachers continued occupation of the same sites, or others stepped into the places resulting in lose of Revenue to Government. In Order to tike over such unhappy situations, Government direct that the Board of Revenue be made responsible or the proper carrying out of the evictions and the follow up action.

In order to enable the Board of Revenue to implement the directions, copies of orders regarding evicting should be forwarded to the Board of Revenue for further action.
