In the G.O. first cited, Government have issued orders fixing lease rent a Rs.10/- per acre per annum for allotment of forest land to the Kerala State Electricity Board for project purposes.

Government feel that this rate is too low now. The Chief Conservator of Forests in his letter second cited has proposed raised rates of lease rent. Government examined the question in detail and they are pleased to order that the lease rent will be enhanced to Rs.20/- acre per annum or Rs.50/- per hectare per annum. The G.O. read as first paper above will stand modified to this extent.

Government also order that this rate will be made applicable in all cases of allotment of forest lands to the Kerala State Electricity Board, Government, Departments and Government Institutions for project purposes.
