G.O.Rt.1505/72/AD.

Trivandrum, Dated 26-6-1972.

Read:- 1. Letter No.C4-41477/69 dated 28-1-70 from the Chief Conservator of Forests.

ORDER

The Chief Conservator of Forests in his letter read above has reported that the total value obtained in the auction sale of thondy materials at Wadakkancherry. Range held on 18-8-1969 was Rs.2219.15. As per existing order if the value exceeds 1000/- but is below Rs.2,500/- individual notices have to be issued to contractors in addition to notification in the gazette and publication in two dailies. In this case the thondy materials were involved in various forest cases and they were very old. So the value was estimated to be below Rs.1,000/- and hence the sale was published in the gazette only.

It is reported that the price shot up at the auction sale owing to competition. As such the Chief Conservator of Forests requests Government to ratify the action of the Divisional Forest Officer in having conducted the auction sale without publishing the sale notice in two local dailies.

In the circumstances reported by the Chief Conservator of Forests the above action of the Divisional Forest Officer is ratified.
