O R D E R

The Chief Conservator of Forests in his letter read above has reported to Government that the rate of ground rent on sold logs left unremoved beyond grace period realised according to sale condition No.14, A, B, C & D is so meagre when compared with the current local rates of lease rent on stocking yards that bidders usually prefer to leave the logs at the Depot yard till they could dispose of the same by sale. This results in inadequacy of stacking place in depots. The Chief Conservator of Forests has therefore reported that the ground rent rates may be reised and fixed at 4 times the existing rate and the revised rates recommended are as follows:

Items	Revised rates.	Period
(i) Round Logs	Rs.1.00	per log for the 1st month
(ii) Poles	Rs.8.00Per 100 Nos. & part	-do- thereof
(iii) Sawn materials	Rs.3.00	per Cum. -do-
Firewood	Rs.1.00	per Tonnes -do-
Bamboos	Rs.4.00	per 100 Nos. -do-
No change.		

---

The penalty realisable for the 2nd month will be double the above revised rates, for the 3rd and upto 6th month double the revised rated fixed for the 2nd month. For the period atterr 6 months double the rate fixed for the 3rd month and so on.

The above rates recommended by the Chief Conservator of Forests are approved by Government.
