Sub :- Eucalyptus plantations maintenance of Instructions issued

Ref:- Minutes of the conference held in the office of the Chief Conservator of Forest on 2.12.1974

During the above conference on instance of in discriminate felling that is the sample plot maintained in 1962 Eucalyptus hybrid Plantation in Trichur Division were felled accidentally during clear felling of the area, was brought to the notice of the Chief Conservator of Forests.

I am therefore directed to issue the following instructions to avoid such recurrence of such incidents in future.

The sample plots should be clearly demarcated providing sign boards and other identifying marks. These sign boards and identifying marks should be scrupulously maintained and kept intact during felling of the plantations around the sample plots.
