**ORDER**

In the G.O. cited, it was ordered that in the case of officers allotted to Kerala from Madras whose names were included in the statutory panel prepared by the concerned authority in Madras for promotion to the higher category or grade, the fact of their inclusion in the statutory panel should be duly indicated in the remarks columns of the combined civil and gradation list of the officers of both the integrating units prepared as on 01-11-1956 in the order of seniority and that they should be promoted earlier than their seniors of the Madras Branch. While considering a representation from an officer allotted from Madras, the State Advisory Committee has held the view that the inclusion of name of an officer in the panel of eligible for promotion is a confidential matter and it should not be publicized by noting the fact in the integrated gradation list especially when it has no bearing on the ranks assigned to the officers in the integrated/gradation lists and the officers involved are not expected to know the fact of inclusion of their names in the panel. Government after considering the question in the light of the views of the State Advisory Committee, order that the fact that an officer has been included in the statutory panel prepared by the concerned authority in Madras for promotion should not be indicated in the remarks column of the combined civil and gradation list of the officers of both the integrating units prepared as on 01-11-1956.

M. Vasu Menon,
