Chief Conservator's office,
Trivandrum, dt.14.9.1981

CIRCULAR No. 26/82

Sub: Contracts - Violation of agreement conditions etc. by
the Departmental Officers-reg.

.....

It has been critically observed by Government that there are several instances of violation of the provisions in agreement conditions, notifications and Rules by the Departmental Officers. In earlier occasions, for more than once, the officers were instructed from this office also not to exercise powers not delegated to them. But the Conservator of Forests/Divl. Forest Officers are now-a-days as a matter of course, acting against provisions Rules. It has ~~been~~ now been clearly indicated by Government that if any officer is acting beyond his powers, it will be at his own risk and that orders according ratification of such actions will not be issued. In the circumstances it is once again instructed to see that only powers delegated to them are exercised.
