Office of the Chief Conservator of Forests, Trivendrum, dt. 29.1.1986

No.Fu(1)42406/85

CIRCULAR No.2/86

Sub: Auction sale of timber-Delay in blacklisting defaulters-regarding

.....

There are many cases where proposals for blacklisting defaulters are received a long time after the event that called for such an action has occurred. Government have observed that it will not serve any purpose in blacklisting the defaulter at a distance of time. Government have also expressed their displeasure for the delay in taking prompt action to blacklist the defaulter.

It is therefore directed, that all Conservators of Forests and Divisional Forest Officers should take prompt and immediate action to blacklist defaulters once default has occurred and to recover loss sustained. In this connection the attention of the Conservators of Forests are drawn to this office letter No. Fu(1)8459/83 wherein a sample draft show cause notice was forwarded for reference. In case ~~the~~ of blacklisting defaulters a detailed report of the auction should be submitted alongwith the draft show cause notice to this office for immediate action. If action is delayed disciplinary action will be taken against those responsible.

The receipt of this circular may please be acknowledged.
