O R D E R

In para 2 (x) (a) of the G.O. read above, Government have ordered that the salary, pay & allowances, travel expenses and other personal claims of Government servants of all executing departments/offices and institutions brought under the administrative control of the District Council will be paid out of the Consolidated Fund of the State. In G.O. (MS) No.107/91/LAD dated 23.3.1991. It has been specified that those posts additionally created therein in the District Council Offices will only be on redeployment and that the resultant vacancies will not be filled up.

2. It has been reported to Government that difficulties are being experienced now by the District Councils in drawing the salaries and allowances in respect of the Government employees working in the headquarters offices of the Councils, from the Consolidated Fund of the State for the main reason that the vacancies in their parent departments have already been filled up. The Councils have therefore requested to permit them to draw the salaries and allowances in respect of the Government employees working in the Headquarters offices of District Councils from the District Council Fund.

3. After explaining the matter in detail Government are pleased to accord sanction for the drawal of the salaries and allowances of the Government employees working in the Headquarters Offices of District Councils by debit to '8448-109-97 District Council Funds. However all the Government Officers and staff placed at the disposal of the District Councils shall continue to be Government Servants for all purposes as if their services have been lent on foreign service terms without any extra benefit.
