NOTIFICATION

In exercise of powers conferred by sub-section (1) of section 2 of the Kerala Public Service Act, 1968 (19 of 1968), read with section 3 thereof, the Government of Kerala hereby make the following amendment of the Kerala Service Rules, namely:-

AMENDMENT

C.S.No.307/76

In part III of the said rules, in Appendix X, after sub-rule (1) of rule 5 of Part A, the following Note shall be inserted, namely:-

“Note:- An application for commutation of pension made in advance of the date of retirement shall be entertained only if it is made not earlier than three months of the date of retirement”.

By order of the Governor,
K.J.THOMAS,
Deputy Secretary.

Explanatory Note

(This note is not part of the Notification but is intended to indicate the general purport).

According to Rule 5 (1) Pension (Commutation) Rules, application for commutation of pension can be made either before or after retirement. However medical examination can be done only after the date of retirement and the medical examination is to be done only after the date of retirement and the medical examination is to be held within three months from the date of administrative sanction. Since there is no restriction regarding the date of application, some applications are received well in advance or retirement and these have to be kept pending till there are only three months for retirement. Commutation of pension is possible only after final pension is sanctioned. So, it would be desirable to have some restrictions regarding the date of application for commutation for this purpose. It is considered necessary to amend the rule to the effect that an application for commutation of pension made in advance of the date of retirement shall be entertained only if it is made not earlier than three months of date of retirement. This notification is intended to achieve the above object.
