1986 from the ACCOUNTANT General Kerala, Trivandrum

ORDER

In the G .O read as first paper above orders gave been issued to fix the initial pay of EX- combatant Clerks /store man re-employed in civil Posts as L.D Clerks /junior clerks / Store man under State Government at a higher stage in the scale above the minimum by allowing in increment for each completed year of service in the Defense forces as Ex-combatant clerk /Statesman . While fixing the pay like that , the pension and pension equivalent of gratuity , if any which does not exceed Rs 15 per mensem will be ignored .

2 In the letter read as second paper it is pointed out that this type of fixation creates an anomalous position in the case of those who re-employed prior to the coming into effect of the pay Revision order of 1983 and those who were re-employed later . This is because in the case of those who are re-employed earlier , increment based on military service is calculated in the pre –revised while in the case of those who are re-employed later , increments for military service is calculated in the revised scale .

3 Government have examined the question in detail and are pleased to order that the initial pay fixed after granting the increments for each completed year of military service (within the reduction of the military pension above Rs 15 may be taken as a base in respect of the re-employed EX-combatant Clerk /8 L.D . clerks /Typists for all other subsequent contingencies such as grant of increment fixation of pay on promotion , pay revision etc .The reduction of excess over Rs 15may be effected from the gross emoluments.
