### ORDER

The Government have decided that a convention should be established whereby all candidates disqualified permanently by the Union Public service Commission from appearing at any examination/selection should similarly be disqualified from appearing at any examination/selection held by the State Public service Commission and also debarred from entry in to the State and Subordinate services. Where a candidate is disqualified for specify periods, the State Public Service Commission or other selecting authority to which he may apply subsequently for appointment may decide, taking in to account the circumstances of the case, whether the person convened can be regarded as suitable for appointment to the post in question.

2. It has also been decided that candidates disqualified by the public Service Commissions of other States need not be automatically debarred from appearing at examinations or selections held by the Kerala Public Service Commission or other section authority concerned. The particulars of persons so disqualified will be furnished to the Kerala Public Service Commission who may take the fact into account and examine each case on merits. The Kerala Public Service Commission should similarly furnish detailed particulars of persons disqualified by them to the Union Public service Commission and all other State Public Service omissions under intimation to Government.
