

GOVERNMENT OF KERALA

No. 59827/Rules-2/82/GAD
General Administration (Rules)
Department, Trivandrum Dt,7-9-1982

C I R C U L A R

Sub:- Public Services – Part –time Constrigent posts – creation of new posts – Delay avoidance of.

Government find that quite often proposals received from the Heads of Department for creation of different posts for the newly opened offices/ institutions do not include part-time contingent posts for attending sweeping/cleaning work, etc.

All Heads of Department s are directed to send up proposals for creation of part-time contingent posts also along with the proposal for creation of other posts for the new offices/ institutions so that the delay in filling up the part-time contingent posts in the newly opened offices/ institutions can be avoided
