ORDER

It has been brought to the notice of Government that difficulties are being experienced in recovering the Mosquito Net Advance sanctioned to the new Public Service Commission recruits who have just joined duty. It is suggested that the advance need not be sanctioned to the purely provisional hands and to those acting and temporary hands who have not put in at least twelve months of continuous service under Government.

Government have considered the question and are pleased to order that the grant of advance for the purchase of Mosquito Nets will be restricted to officers who have put in a minimum continuous service of twelve months under Government.
