Formerly, the powers regarding final settlement was with Government. Now, under the delegation of powers the Conservators have been vested with powers for final settlement of contract files. Hence I am issuing instructions to the Conservators of Forests to dispose of the files under the powers delegated to them; under these powers, many files on which Government orders are pending, the Conservators of Forests have got powers now. I am directing them to close even the files on which Government orders are awaited, to they have not powers. The concerned files in the Secretariat may be closed on these lines. The Conservator are being directed to close these files and send final report of Government.
