

GOVERNMENT OF KERALA

Finance (Rules) Department

CIRCULAR

No.40/ 83/ Fin.

Dated, Trivandrum 29th June 1983.

Sub:- Public services- Deputation of Government Servants to Private Sector on deputation basis- Instructions issued.

Government are receiving many requests for deputation of Government officers to Private Sector. According to Rule 141 of K.S.Rs.a transfer to the Foreign Service is not admissible unless.

- (a) the duties to be performed after the transfer are such as should for public reasons, be rendered by an officer of government , and
- (b) the officer transferred holds, at the time of transfer, a permanent or temporary appointment paid from the General revenue or holds lien on such an appointment or would hold a lien on such a post had his lien not been suspended.

2. It has come to the notice of Government that an interpretation has been given to the above rule that there can be no objection to send persons from Government Service to private sector on deputation basis provided the duties and responsibilities attached to the deputation post entails public interest. This is not correct. The rule is clear that a person could be sent on deputation on Foreign Service conditions to the private institution only if the duties to be performed in the transferred post are to be rendered by an officer of Government for public reasons.

3. In the circumstances, Government would like to impress upon all concerned that, hereafter, deputation of Government officers to private institution shall be allowed only in cases where the rules as explained in para 2 above are satisfied in letter and spirit.

In all other cases of requests for deputation to private institutions including that of Doctors to private hospitals no deputation shall be allowed. If the concerned officers are particular to take up employment in private institutions of their choice, they may do so after taking leave without allowance under the scheme to take up employment elsewhere.

4. Violation of these instructions will be viewed seriously.
